

# WonderED Community Partner Toolkit

## Welcome!

Thank you for your interest in becoming a Community Partner with **WonderED Learning**. We believe that learning is most powerful when it connects young people with real-world communities, mentors, and experiences.

This toolkit includes everything you need to understand our model, explore partnership options, and take the next steps toward becoming an official WonderED partner or campus.

---

## About WonderED

WonderED is a personalized, project-based learning program that empowers students to take ownership of their education. We integrate:

- Core academic competencies
- Real-world learning experiences
- Student-designed projects
- Community-based learning opportunities

We are committed to equity, flexibility, and relevance in education for all learners.

Learning is overseen, and credits and diplomas are issued by WonderED K-12 Academy, a Cognia-accredited school.

---

## Partnership Opportunities

### 1. Community Partner

Organizations and individuals that offer:

- Workshops or enrichment classes
- Project support or mentorship
- Internships or service learning
- Space or tools for student use

## 2. Community Campus Host

Locations that provide:

- A space for co-learning and project-based work
  - Optional staff or facilitators
  - Drop-in opportunities for students
  - Regular learning events or showcases
- 

## Benefits of Partnering

- **Student Impact:** Directly support student learning and growth
  - **Visibility:** Promote your mission within our family network
  - **Recognition:** Be featured as a WonderED-approved partner
  - **Collaboration:** Access to our educator and partner network
- 

## What We Provide

- WonderED curriculum alignment and project support
  - Professional learning opportunities
  - Ongoing collaboration and co-design
  - Optional credit and diplomas
- 

## Hosting a Community Campus

### Basic Requirements:

- Safe, accessible location for students (1–5 days/week)
- Supervision by a qualified adult
- Access to the internet and basic resources

### Optional Additions:

- Weekly workshops or clubs
- Project mentorship
- Community learning field trips

WonderED can help train facilitators, co-design experiences, and provide scheduling tools.

---

## Application Process

1. **Submit an Application**
2. **Meet with our team** to co-design your role
3. **Sign a partnership agreement** outlining responsibilities and support
4. **Launch your partnership** and welcome WonderED learners!

---
